Classical Civilisation Courses for Years 8 and 9

01 November 2010

Dear Parents

I am writing to alert you to some changes we are making in delivering the Classical Civilisation courses in Years 8 and 9.

Pupils in Years 8 and 9 have a choice of studying either Classical Civilisation or German. Due to the increasing popularity and hence the size of the Years 8 and 9 Classical Civilisation groups we have decided, in the best interests of our pupils, to split the current groups into two smaller teaching groups in each year.

Each group will benefit from being taught both by Mrs Wilson and Dr Banham, rotating on a topic basis. Mrs Wilson will teach the Literary based aspects of the course whilst Dr Banham will deliver the Historical aspects.

If you have any queries about these new arrangements then please contact Mrs Wilson, Head of Classical Civilisation, in the first instance.

Yours sincerely

B P TULLIE (MRS)
