

Batley Grammar School Batelians' Association

School Reunion 400th Anniversary Saturday 21st April 2012

Dear Batelian

After two highly successful School Reunions, the Batelians' Committee is planning to hold another Reunion on Saturday 21st April 2012. This will be part of the 400th Anniversary of Batley Grammar School and in light of this occasion, we anticipate it being another enjoyable event for all Batelians attending.

The Reunion will take place in school on the afternoon of Saturday 21st April. It will be an informal event (no dress code), and will start at 2.00pm and end around 6.00pm, although there is no compulsion to be present throughout. There will be a gathering in the Graves Hall at 3.00pm, but otherwise Batelians will be able to wander around the school, chat and reminisce. This is a wonderful opportunity for former pupils to meet old school friends and teachers, to reacquaint themselves with the school buildings and to see recent developments.

There is NO CHARGE for this event. There will be two bars, where you will be able to purchase refreshments, and light snacks will also be available if required.

If you wish to attend this event, please complete the attached slip and return to the address below, **OR** e-mail your reply to the electronic address shown. Spouses/partners/guests are welcome to attend. Please be sure to include all the required information in your reply. Feel free to forward this letter to any Batelians with whom you are in contact. We would be glad to hear from any Batelians who could promote or co-ordinate attendance from their year group.

As former pupils and teachers submit their names for this event, we will publish names of attendees on the Batelians' section of the school website www.batleygrammar.co.uk, so please visit the website regularly.

We look forward to hearing from you.

Jill Bellhouse
Batelians' Association & 2012 committee

BGS Batelians' Association School Reunion, Saturday 21st April 2012
*Please detach and return **OR** email with the same information to;*
